New Junior Playground Planned for 2011

Sounds exciting, I hear you say! Our fundraising for this year will be going towards the much needed new junior playground. With your support, this project should be completed in time for the beginning of the next school year.

How Can you Help?

Join our Committee and be part of the fundraising team for 2010. We have had a significant turnover on the committee this year with our long standing members taking a break. We would love some new faces and new ideas. We meet on the second Monday of the month at 7pm in the staffroom. The next meeting is on **Mon April 19th**, which is the first Monday after the holidays. We would love to see you there.

Make a Difference

If the committee is not for you then please sign up for the Give me 5 parent volunteer program. We ask ALL parents to consider volunteering some time to help out around school. Your contribution can be ANYTHING from working bees, to baking, to parent help at discos. Any support you are able to give is appreciated.

A Sweet Start to the Year.

What a massive effort the children and parents have made to sell chocolates over the last four weeks. The profit from this fundraiser so far is **\$10,000**. Outstanding! A great start to get towards getting our new playground. On behalf of the committee we want to say a big thank you to everyone who has returned their money. If you still have not returned your money OR chocolates, PLEASE return either to school this week.

School Picnic Makes Happy Readers

The Committee kick started their year off by selling Hotdogs at the school picnic. With the \$1500 raised we are happy to be able increase the number of books for the Lexile reading programme in the senior school

Thank You

For all of you who have contributed in some way to "Making a Difference" for Red Beach School we would like to say thank you. We are looking forward to your continued support.
