Message from the Principal

Dear Parents and School Friends,

Last Friday I witnessed three great examples of Red Beach School at its best! Firstly the Takahe Community presented a stunning assembly with many reminders of the learning the children have been doing around how species come to be endangered and what needs to happen to "make a difference". Secondly 2 of our students, sisters Charlotte and Mia Thomas organized a most successful mufti day resulting in the whole school donating approximately 1500 second-hand books to the organization "Oceans of Books" who will now distribute these to needy schools across the Pacific. Along with some other books that the charity already had, our books will help fill four school libraries in the Pacific! —another amazing "Make A Difference" action. Lastly I joined a group of parents observing the school's Kapahaka group helping prepare all of our Year 5 children for their "marae" experience next week. Our Kapahaka group are outstanding, both in their areas of performance and in the self-discipline that they exhibit. All 3 events in one day—well done Red Beach School.

STUDENT LED CONFERENCES

A huge thank you to the many parents who attended their children's student led conferences last week. The feedback we have received so far has been very positive.

Sometimes parents do have other issues they would like to discuss with their child's teacher—you are most welcome to do this this week, any time after school Tuesday—Thursday. The best way to contact teachers is via email—remember to use their first name and then @redbeach.school.nz e.g. Lesley@redbeach.school.nz

RESPECT FOR OUR SCHOOL NEIGHBOURS

From time to time we do hear that some of our children are not that respectful to the school's neighbours, in that they walk across people's property and pick their flowers etc. If any parent notices this type of behaviour please feel free to let me know, so that it can be dealt with appropriately.

WINTER HOLIDAYS

School will close for the end of Term 2 at 3.00 p.m. this Friday and re-open for Term 3 on Monday 19 July. Have a lovely break with your family and friends. Let's hope the weather isn't too chilly.

*Hands are special tools we use for
heaps of things. When Mum or dad
hold my hand I feel safe because I
know I can't get lost. The best
thing hands can do is hug. Hands
get wrinkled from being used for so
many special things. Hands get
older and older. - Charlotte Rm 12*

*Hands help you when you are trying
something out. They are our special tools
and they reach out and grab life. Our
hands are as soft as sand. When I hold my
father's hand I can feel that he is strong
and brave. My Mum's hands are as warm
as a bulb of light. My hand is still small
but when I grow up they can do amazing
things. - Alannah Rm 12*
