

How to book your Student Led Conference

Parents will be able to book their Student Led Conference times online in the same way we did last year. You'll be able to select from the available times and will receive email confirmation of your appointments.

If you do not have access to a computer, or you would like some help organising your appointments, please ask at the office and they will arrange for someone to help you.

Here's how to book your appointments: Go to <http://www.schoolinterviews.co.nz/>

Login with the login WWVTC in the school code on the left hand side.

Next, enter your details, including your email, and the names of your students having student led conferences. Click GO

You will then be asked to select the year level of each of your children and their teacher. Click GO.

You may only book one appointment for each child.

Next, select the appointment times that you would like. Available times are shown as blank boxes.

Finally, your appointments will be displayed and, if you entered your email address, sent straight to you. (This may come into your spam box)

If you need to make any alterations at a later date, you will be able to when you log in again.

If you're having trouble please email Hellen Healey hellen@redbeach.school.nz
