Rodney Times Feature Tues 8 November

On 8 November the big feature article is going out for Red Beach School Gala in the Rodney Times.

This year we are running a Red Beach Business Directory for all businesses associated with Red Beach School. We have organized special advertisement sizes for you to be able to participate. Prices

include artwork if required – simply send an email with your business card and message and Rodney Times will do the rest.

We are aiming for a double page spread since the more people we can attract to the gala the more funds we will raise for the children of Red Beach School. However we need

advertisers to allow the school to advertise (hopefully) for FREE – but we need your support...

To book your spot contact Leanne O’Meara (Also a Red Beach Mum!)
